

Paris-Passy

A natural oasis close to the centre of Paris

Set in the heart of a 40-hectare park, our course centre offers international students an ideal setting for learning French or English, participating in immersive activities and making friends from around the world. The campus provides a safe, fun and relaxing atmosphere in a natural surrounding while being only a short train ride away from Paris. As one of the most visited cities in the world and the cultural centre of the country, participants get the opportunity after classes to visit its famous landmarks like the Eiffel Tower, Arc de Triomphe, the Notre-Dame Cathedral, Versailles Palace and more. They will stroll through some of the most picturesque neighbourhoods, like Montmartre, the Marais and the Latin quarter, explore the Louvre, Orsay and other famous museums, go shopping on Champs Élysées and get a taste of the famous French cuisine all the while practicing French or English.

This experience will help expand their horizons and make that summer unforgettable.
