ENGLISH LEVELS

Adventurers and Citizens welcome students with English levels between A1 Beginner and C1 Advanced.

LESSONS

There are 20 hours per week with 3 types of lessons: Core English, Learning & Innovation and a Focus lesson, depending on the course selected. The objectives of the lessons are to improve students' receptive and productive language skills and to develop their ability to communicate and operate in the 21st century.

MISSION: INTEGRATION!

This takes place on Sunday evenings and consists of icebreaker and get-to-know-you activities to help new students integrate into school life and meet continuing students.

HOUSEWARMING!

On Monday evenings, students take part in a series of house-based games and activities to help them build new and consolidate existing friendships with other students from the same house.

SPORTS & LEISURE

Students take part in our Leisure programme where they can choose between a selection of different sports and leisure activities.

PRO OPTIONS

The Pro Options programme is optional and allows students to specialise in one sport or other recreational activity for the whole week and is designed to increase their skills, techniques, and knowledge in their chosen option.

Pro Options offered:

- Golf
- Horse Riding
- Tennis

WELFARE

All students receive a safety induction, relevant to their age, on the first or second day after arrival. Students are supervised in all lessons and sports and organised leisure activities. Our overall general ratio (staff/students) at each centre is at least 1:5.

Each centre has staff who are authorised to administer basic and prescription medication to students, under the guidance of the Welfare Manager.

BSS EXPERIENCE FEATURING TRUE ME

This is our evening entertainment programme that consists of a series of fun challenges and events designed to develop students personal and social skills, self-confidence, and authenticity. Examples include Escape Room, Colour Run, Olympic Games and Disco Party.

CULTURAL PROGRAMME

Saturday and Sunday excursions allow students to visit places of cultural or historical interest or take part in a recreational activity with their friends. Saturday excursions are usually to London and examples include Big Ben, London Eye, Riverboat Cruise, and Science Museum. Sunday excursions are usually to a local city or seaside town.
