Antibes is an exceptional town to learn French. Immerse yourself in the local Mediterranean culture, all while enjoying a memorable holiday on the Côte d'Azur.

With 300 days of sunshine a year, Antibes enjoys a Mediterranean climate with warm summers and mild winters. Visitors have the chance to enjoy the vast sandy beaches, many of which are within walking distance from the old town center that boasts a vibrant social and cultural scene.

Nice International Airport is only 15 km away, making Antibes a well-connected town where both visitors and residents feel safe. With its 75,000 inhabitants in the winter, it is the third biggest town in the department and, although its population doubles in the summer season, Antibes retains its charming and welcoming atmosphere.
