

EC Dublin

Located close to the city centre, EC Dublin's state of the art facilities provide a great environment for learning. With quick access to public transport, students can easily visit local attractions like Stephen's Green Park, Dublin Castle and the Medieval Quarter. EC Dublin also supports the Dublin Institute of Technology's (DIT) International Pathway Programmes (IPP) for students seeking further academic studies. Once EC students reach the appropriate language level for the DIT course, they are accepted into the IPP. Upon successful completion of their EC course, students are not required to take further IELTS/TOEFL tests to enter the IPP.
