FOR ADULTS

PURSuing EXCELLENCE IN ENGLISH

# Course description

This programme is designed for discerning clients, who see the value of combining a serious and enjoyable English language course with inspirational and fun activities. Your fellow students will be of a similar age and background, and there are plenty of opportunities to network, share experiences and make new friends.

The programme operates on a two-weekly schedule and it is possible to come for one week or two. Classes are in the morning (maximum 6 students per class) and the minimum age is 30. On Mondays, Tuesdays, Wednesdays and Thursdays, you go to lunch (included in your fees) with a member of school staff and your classmates. We take you to different restaurants around Torquay and this is a great way of socialising in English while making new friends.

In the afternoons, we offer you a broad range of activities and experiences that will nurture your current passions and interests, and expose you to new and stimulating experiences.
