Our Modules - Your Choices

We offer six exciting modules for our students to choose from:

**Play
Sports**

**Learn
English**

**Creative
Arts**

**Performing
Arts**

**Outdoor
Pursuits**

STEM

Students choose two modules each week (one for the mornings and one for the afternoons) and each one will account for 15 hours of learning Monday to Friday.

Performing Arts

Step into the spotlight with our Performing Arts module!

This dynamic programme offers an exciting mix of musical theatre, drama, acting, and dance, helping you develop confidence and master body language. Throughout the week students will work towards a final group performance inspired by traditional English plays or iconic movie scenes.

Guided by our passionate, fully qualified artists, each session is thoughtfully designed to bring encourage creativity and performance skills. Get ready for an unforgettable experience in the world of theatre!

Outdoor Pursuits

Gear up for an adrenaline-fuelled adventure with the Outdoor Pursuits module

Led by our expert Outdoor Pursuits Department, this fun-filled module takes students out of their comfort zone and into the heart of nature. Outdoor pursuits allow students to scale rock faces, tackle thrilling mountain bike trails, paddleboard across open water, hike through breathtaking scenery, and master essential camp craft skills.

To ensure each student is suitably challenged, groups are divided by age - 12 and under, 13 and over. With limited spaces available, be sure to sign up early to secure places in this unforgettable outdoor experience!

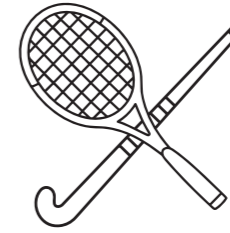

STEM

Engage in the fascinating world of STEM
(Science, Technology, Engineering and Mathematics)

In this hands-on module students explore how the world works through thrilling scientific, technological, and engineering projects designed by professionals. Students who select this new module will study the theory behind the magic and bring it to life with activities like drone flying, robotics, bridge and structure creation, computing, programming, and even slime making!

Throughout the week students will test projects to discover if the world of STEM is where their strengths lie. With limited spots available, be sure to enrol early to secure places in this exciting new addition to the summer school!

Sports

Embrace the joy of sport

Partake in an exciting summer of sports by selecting our sport module. Each week, students train in up to three exciting sports, including swimming, basketball, football, tennis and badminton, under the guidance of expert professional coaches.

Tailored for international students, our sport module focuses on skill development, strategic decision-making, and measurable progression throughout a week of coaching.

Participants are grouped by age, 12 and under in one group and 13 and over in another. This fosters teamwork and camaraderie while maximising their sporting experience, being physically challenged and making friends.

Learn English

Improve Speaking, Listening, Reading and Writing skills

English lessons will be interactive and engaging, based around thematic topics students will enjoy, from Technology to World Culture. As a Quality English accredited school we ensure that your child will receive the very best teaching, with classes of no more than 15.

Students will be assessed on arrival and placed in classes depending on their ability. There is no minimum level of English required. From complete beginner to C2 level, our qualified EAL teachers will provide a stretching, challenging and supportive learning experience.

Creative Arts

Ignite imaginations with the expressive Creative Arts module

Students will be immersed in the world of art as they experiment with sculpting, mask-making, and clay modelling, turning ideas into stunning 3D creations.

Students will capture the world with photography, then bring images to life through expert photo editing techniques.

They will also sharpen their drawing skills with captivating still life sessions that challenge imaginations. This is a chance to explore a variety of artistic mediums and create something unique.

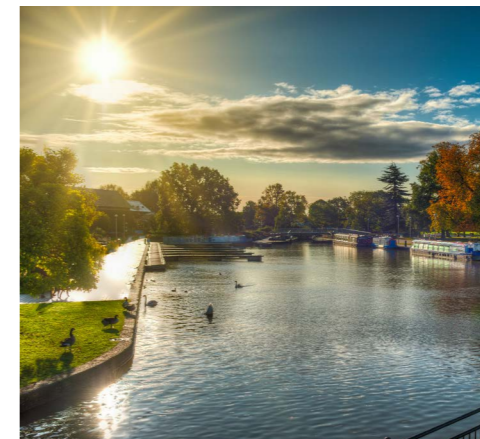

Trips and Excursions

All trips and excursions are included in the course cost. All students will enjoy a two day weekend trip to London with one night's accommodation, and fantastic sightseeing opportunities.

Other summer schools Saturday trips include days to local cities such as Bristol, Oxford, Birmingham or Cardiff. Wednesday evenings often feature an off site visit to Laser Quest, the cinema, bowling or ice skating in Malvern.

Example London Itinerary 12 and under

Saturday

- Private coach to London
- Activities at the Science Museum
 - Tube to Covent Garden for lunch and street performers
- Visit Lego World and M&M World
- Tube to accommodation in Marylebone
 - Supper in London

Sunday

- Private open bus tour of London
 - Visit to Madame Tussauds
- Regent Park for picnic lunch
 - Private coach to Malvern

Example London Itinerary 13 and over

Saturday

- Private coach to London
- Activities at the Science Museum
 - Tube to Oxford Street for independent shopping
- Tube to accommodation in Marylebone
 - Supper in London

Sunday

- Private open bus tour of London
 - Visit to Paradox Museum
 - Shopping in Harrods
- Private coach to Malvern

Catering

All meals are included in the course fee.

Summer school students eat together for all their meals, with a choice available for breakfast, lunch and dinner. The College's dedicated catering team provides high quality, nutritious and varied meals. Refreshments and snacks are also available during the day.

On excursions either packed lunches or other dining arrangements are provided.

Please note we are able to cater for most dietary requirements including allergies and intolerances. These must be discussed with us upon booking so that provision can be made in good time.

Boarding and Pastoral Care

One of the best parts of summer school is having a taste of English boarding school life. Accommodation is a mix of singles, twins and small dormitories in our traditional houses, with shared bathrooms facilities. Boarding houses are divided into Senior Boys, Senior Girls and Junior (12 and under), and each one is led by an experienced houseparent.

Our exceptional pastoral team will be with your child every step of the way, and are focused on them departing with lifelong memories.

Transport

International travel is often the biggest worry for parents sending their child to summer school. We have years of experience to help make this as easy, safe and enjoyable as possible.

We provide a meet and greet service with transfers to and from London Heathrow and Birmingham Airports, on arrivals and departures days, for flights between 0800 and 1800. Transfers outside of these times, from other airports, and for Unaccompanied Minor bookings are available at additional cost.

We understand that some parents will choose to travel with their children. If that is the case, please let us know so that we can arrange how to pick your children up. We are always delighted to welcome parents to Malvern College in person.

Our Fees

To apply please complete the booking form on the website.

The final balance will be due by the 1st May 2025.

Malvern College Summer School encourages early application to guarantee places on your chosen weeks and modules.

£2195 per week inc. VAT. Minimum two weeks stay.
