SHERBORNE
INTERNATIONAL

ESTABLISHED 1977

SHERBORNE

HIGH QUALITY ACADEMIC RESIDENTIAL PROGRAMME WITH A FULL ENGLISH CURRICULUM FOR BOYS AND GIRLS AGED 8 – 17

PLUS ACADEMIC PREPARATION PROGRAMMES:
 PRE-IGCSE/GCSE
 IGCSE/GCSE MID-COURSE BOOSTER
 PRE-A LEVEL/PRE-IB DIPLOMA

WHY SHERBORNE SUMMER?

Our UK summer school courses give a unique taste of life at a British boarding school, boosting English language skills and bringing excitement to education. They are intensive and academic but also offer an extensive choice of sports, activities, and excursions.

We emphasise development for the individual and that is why our classes are small. With a usual class size of 8, teachers can give each student personal attention, while the overall staff to student ratio of

1:3 always ensures a high level of pastoral care.

Written academic and house reports are sent to parents, with details of the work covered, progress made, relevant achievement levels and general involvement in the course.

Students can enjoy learning in a friendly and caring atmosphere, whilst parents can relax knowing that their children are safe, well looked after and receiving the best attention.

Juniors are hosted on the Newell Grange campus for their lessons and their accommodation which, being a small campus, is perfect for younger students.

Seniors have their classes on the main Sherborne School campus and live in Sherborne School boarding houses.

“Sherborne Summer offers the best international course in the country.”

"Thank you indeed! You all make this happen and leave a wonderful memory in these children's life which is an unforgettable and irreplaceable treasure."

Quote from a parent from 2024 summer programme

A non-refundable deposit payment of £400 is required to secure the booking. This will be deducted from the fee, and the balance is payable at least 30 days before arrival.

Located in the historic town of Sherborne in the southwest of England, Sherborne provides first-class short course programmes, which include our highly regarded Summer Course, and our academic Spring Course designed for students preparing for I/GCSE examinations.

Founded in 1977, Sherborne International was the UK's first international study centre and is proud to belong to one of the country's most distinguished schools, Sherborne School, which was itself founded in 1550.

Our understanding of the academic and linguistic needs of international students, coupled with our use of Sherborne School's state-of-the-art facilities, enable us to offer international students a truly authentic British boarding school experience.

We are accredited by the British Council - so you can be confident that all our courses deliver a quality educational experience for your child, and that their welfare is always our priority.

Our mission is to create a memorable experience; where students are given the opportunity, inspiration and motivation to learn and develop their confidence by:

- Fostering a nurturing environment with a strong emphasis on pastoral care and inclusivity, where everyone feels safe and valued
- Encouraging young people to explore and embrace new challenges
- Celebrating cultural differences and promoting mutual respect
- Ensuring small class sizes, allowing experienced teachers to focus on the individual needs of each student
- Providing a taste of life in a traditional British boarding school

"The 2 weeks with Sherborne International will be our unforgettable experience."

INTENSIVE ENGLISH PLUS SUBJECTS

THE ORIGINAL SHERBORNE SUMMER COURSE

For over 30 years Sherborne Summer Course has proved successful for 8-17 year olds who:

- wish to improve the fluency and accuracy of their spoken and written English
- plan to join, or are already attending, a British independent school and wish to improve their level of English in this context, including exposure to some elements of a more academic language through the subject lessons
- want to sample an independent school and life and culture in Britain while socialising with others of many different nationalities
- want to acclimatise themselves or receive a boost by enrolling on Sherborne Summer prior to starting at a UK school in September
- Are looking for a fun and productive way to spend their summer vacation

Students study English, with level appropriate subject taster lessons; Sciences, Maths, History, Geography, Art, Drama and Computing.

- Up to 22.5 hours of tuition per week
- Usual class size of 8 students
- Class presentations in assembly
- Full programme of sports, afternoon and evening activities
- All six Common European Framework language levels are offered from beginner (A1) to advanced (C2)

A key element of our Intensive English lessons are the topic-based projects on which the students collaborate. These motivate students by allowing them to:

- practise the language they already know
- consolidate new language
- produce a visible piece of work: a presentation, a booklet, a blog, a role-play etc
- collaborate with others and practise 21st century skills – essential soft skills students will need for success in the future: public speaking, critical thinking, problem solving and teamwork.

If joining a UK Boarding School, we recommend a minimum of four weeks to gain the most benefit from the preparation.

Visit our website at www.sherborne-international.org or follow this QR code for more information.

"I love how interactive the lessons were and every teacher was extremely kind. Everyone was so awesome, and nothing could take away their smiles. They made it feel like a home and always took great care of us so no one would be left alone".

Franka, Germany

“The academic programme was very good, and he has loved the English system of teaching”

Parent of Spanish student on Summer 24 programme

PRE-IGCSE/ GCSE COURSE

AVAILABLE FOR STUDENTS AGED 13 TO 17.

This course gives students starting (or considering doing) IGCSE/GCSE courses the support they need to acquire and improve skills vital to success. Students not taking I/GCSEs, but interested in studying at this level are welcome to enrol.

- Up to 30 lessons a week; 22.5 hours
- 6 - 7 lessons per week in each of four chosen subjects plus lessons in drama and public speaking
- Normal class size – between 6 and 8
- Essential study skills
- Experience of practical science
- Class presentations in assembly
- Full programme of sports, afternoon and evening activities
- For students with CEFR level B1 and above

For their subjects, students can choose four from: biology, chemistry, physics, maths, history, geography, English and English literature. Lessons introduce the types of content and skills each subject will need at IGCSE/GCSE level. For example, in science, students conduct experiments, learn to describe clearly their methods and the conclusions they reached, which will be important for their exam course. In history, students look at evidence, how to examine sources and write up and explain their findings – skills that are fundamental irrespective of the actual historical period to be studied.

Throughout, students develop their use of the English language appropriate for studying and for life in a boarding school and the UK generally. Students learn to analyse texts, develop research skills, and present conclusions and results orally, in debates or in written form. Drama lessons help increase confidence in speaking and performing.

Visit our website at www.sherborne-international.org or follow this QR code for more information.

IGCSE/GCSE MID-COURSE BOOSTER

AVAILABLE FOR STUDENTS AGED 13 TO 17.

This course is designed to give students who have completed UK Year 10 (or equivalent), a confident and successful start to their final IGCSE/GCSE year by revisiting material covered in the last year, as well as looking ahead to UK Year 11 (or equivalent). Students not taking I/GCSEs, but interested in studying at this level are welcome to enrol.

- Up to 30 lessons a week; 22.5 hours
- 6 - 7 lessons per week in each of 4 chosen subjects plus lessons in drama and public speaking
- Normal class size – between 6 and 8
- Essential study skills
- Experience of practical science
- Class presentations in assembly
- Full programme of sports, afternoon and evening activities
- For students with CEFR level B1 and above

For their subjects, students can choose four from: biology, chemistry, physics, maths and English. Lessons consolidate and revise key areas of content and skills from Year 10, boosting motivation and reducing stress.

Our small classes allow clarification and further explanation where individual students need it. In the sciences, understanding of important topics and, in all subjects, the use of practice papers and questions, allows students to improve their exam technique by identifying keywords and meeting the marking criteria.

Throughout, students develop their use of the English language appropriate for studying and for life in a boarding school and the UK generally. Students learn to analyse texts, develop research skills and present conclusions and results orally, in debates or in written form. Drama lessons help increase confidence in speaking and performing.

"There are good teachers who always helped me, made me happy and became great friends"

Juri, 16, Estonia

PRE-A LEVEL OR PRE-IB DIPLOMA

The course is designed to help students settle into their new courses more quickly and confidently and improve their chances of gaining good grades early in the course – a real help with final results and university applications. Students not due to start A-Level or IB Diploma studies, but interested in studying at this level, are welcome to enrol.

- 30 lessons a week; 22.5 hours
- 6 - 7 lessons per week in each of four chosen subjects plus lessons in drama and public speaking
- Theory of Knowledge and Extended Essay for IB Diploma
- Normal class size – between 6 and 8
- Essential study skills
- Experience of practical science
- Presentations in assembly
- Full programme of sports, afternoon and evening activities
- For students with CEFR level B2 and above

For their subjects, students can choose four from: biology, chemistry, physics, maths, history, English and English literature. They can also opt for IB Diploma skills, including theory or knowledge, extended essay, and CAS as a subject choice – advisable for those preparing for IB Diploma.

Lessons consolidate and revise key areas of content and skills from Years 10 and 11, as well as introducing key topics students will encounter in Year 12, boosting motivation and reducing stress.

Our small classes allow clarification and further explanation where individual students need it. In the sciences understanding of important topics and, in all subjects, the use of practice papers and questions, allows students to improve their exam technique by identifying keywords and meeting the marking criteria.

- Throughout, students develop their use of the English language appropriate for studying and for life in a boarding school and the UK generally. Students learn to analyse texts, develop research skills, and present conclusions and results orally, in debates or in written form. Drama lessons help increase confidence in speaking and performing.
- For a thorough preparation, we recommend as much time as possible. You can study the same four subjects for the whole time or choose different subjects in 2 or 3-week sections. Topics do not repeat.

Visit our website at www.sherborne-international.org or follow this QR code for more information.

BOARDING

WE ARE OWNED AND OPERATED BY SHERBORNE SCHOOL, ONE OF THE WORLD'S LEADING INDEPENDENT SCHOOLS. THIS GIVES US ACCESS TO FIRST-CLASS FACILITIES, INCLUDING THE BOARDING HOUSES.

Our Junior House, (King's House), is located at the Newell Grange Campus, which is split into a boys' wing and a girls' wing, with a capacity of 55 beds. Rooms are either single or double, and all have en-suite facilities. Residential staff live in the boarding house so they can look after the students in their care, and all exit and entry points are controlled by automatic locks, which are on timers to ensure that student access is easily controlled.

Our Senior Houses are Sherborne School boarding houses, with girls and boys staying in separate buildings. Each house can accommodate a maximum of 70 students, with a mixture of small dorms (up to 6 beds), double rooms, and single rooms. Younger students are placed in the small dorms and as they get older will stay in doubles and singles. All the houses have large living areas, their own kitchens, games rooms, shared shower and toilet facilities (not en-suite) and spacious outside areas. Staff live in the boarding houses to

ensure the students are well supervised, and access in and out of the buildings is controlled by automatic locks, which help with security.

Meals are served in a pleasant Dining Hall and are catered for by the Sherborne School catering team. The food is cooked on the premises using fresh, locally sourced ingredients. There are at least 3 hot options per meal, (including a vegetarian choice), as well as a selection of cold dishes, vegetables and fruits, cheeses, and salads. In addition, hot and cold drinks and snacks are available at morning break. Packed lunches with water are taken on Thursday and Sunday excursions.

We cater for religious, special diets or allergies, but please be sure to note your child's requirements on the registration form.

Sherborne School has been at the heart of Sherborne town since its foundation in 1550, and Senior students, (aged 12 and older), attending the

Sherborne Summer programmes can enjoy controlled freedoms provided by the location. This includes free time in Sherborne town during certain periods and the ability to walk between the school and their boarding houses.

The quiet, historical setting of Sherborne is ideal for students to enjoy these freedoms, as everything is within easy reach—cafés, supermarkets, boutiques, coffee shops, pizzerias, and ice cream parlours. This environment helps students build new friendships, demonstrate independence, and instils important values of responsibility and trust.

Junior students (aged 12 and younger) are situated on their own, secure, self-contained campus, close to the town and formerly the home of Sherborne International, ensuring age-appropriate supervision at all times.

To view an [interactive map](#) of our facilities click here.

"I really had a great time. I made friends, improved my English skills too...I'm really happy. I'm sad to leave, it was like I was at home with my family!"

French student, 2024 course

SPORTS ACTIVITIES AND EXCURSIONS

After lessons, students can enjoy our activities programme, which begins with afternoon sports.

As part of the Sherborne Group, we have access to world class, on-site sporting facilities, which are further enhanced by our long-established relationships with several external venues for horse riding, water sports and golf. Sporting options include:

- Football
- Badminton
- Horse-riding
- Rock climbing
- Sailing
- Dance
- Volleyball
- Table tennis
- Tennis
- Swimming
- Stand up paddleboarding
- Art club and Book club and many more.

In the evenings, the activities programme continues with organised social activities.

Options include:

- Quizzes
- Talent show
- Bingo
- Theme nights
- Yoga
- Board games
- Fashion shows
- Baking
- Pizza night
- Party games
- Film club
- Karaoke
- Circus skills
- Scavenger hunt
- Tower building
- Dressing up
- Disco
- Garden party
- Pool
- Table tennis
- Table football
- Tea party
- Pamper nights
- Football matches and more.

On Thursdays and Sundays, we offer students the chance to experience some of the UK's premiere attractions, let off some steam or enhance their learning with cultural visits.

On previous courses we have visited venues including:

- Natural History Museum London
- London Eye
- Harry Potter Studios
- Thorpe Park
- Wembley Stadium
- Stamford Bridge (Chelsea Stadium)
- Bath City tours
- Bristol City Tours
- Spray paint workshops
- Water parks
- Trampoline centres
- Ninja Warrior centre
- Greenwich Observatory
- West End Shows and many more.

"Sherborne is the best place I've ever been. I love SI!"

"The best thing that happened on the summer course in Sherborne was the complete experience of a British Boarding School. I had a wonderful time, learned a lot about myself and got out of my comfort zone."

Student on Summer course

TRAVEL

NEW FOR 2025

Arrival and departure transfers from selected airports on designated arrival/departure days are included with your booking, for flights arriving or departing between 0800 and 1800 hours.

Sherborne International staff will greet the students at the airport and accompany them to the designated meeting point. On departure, Sherborne staff will help oversee student check in and will wait with them, as necessary.

Transfers to and from the airport will be via coach or minibus and may require students to wait for short periods for other students to board/depart.

SELECTED AIRPORTS

- Bristol
- London Heathrow
- London Gatwick

ARRIVAL DAYS

2, 16, 23, 30 July and 6 August

DEPARTURE DAYS

16, 23, 30 July, 13 and 20 August

Transfers on different days/times/airports will need to be arranged by and paid for directly by the parent/agent/guardian. Our customer support team can provide assistance if you have further questions.

“Our daughter did not expect to meet such lovely friends and enjoy all the social elements, but this was a highlight!”

Parent of student on the summer programme

HEALTH AND WELFARE

Matron is on site every day. Students can also see a doctor at a local surgery, though may be required to pay for this. The nearest hospital which has a minor injuries unit is just a few metres away. There is a 24-hour accident and emergency unit at a hospital 5 miles away.

You are strongly advised to take out comprehensive medical insurance (including dental care) as well as for travel and valuables. At all times we aim to look after your child as if they were our own. There is 24-hour supervision of students and many of our staff are trained first aiders and have training for issuing medicine.

Our administration team should be informed of any pre-existing illnesses or allergies, prior to a student's arrival, especially if they require treatment. Where the child arrives with prescription medicine, a suitable doctor's note (translated to English) will need to be provided to ensure the medication can be issued by our nurses.

For more information about what to bring, laundry and pocket money please visit our website: <https://www.sherborne-international.org/further-information/what-to-bring> or scan the QR code
