But perhaps the most important aspect of studying at WSE is that you will meet people from all over the world, with different lives, different families, different customs and traditions. You will explore not only UK culture, but cultures around the world. You will live, work and play together, in class, in our homestays and student houses, and on our busy social activity programme. Homestay

Homestay providers can be very different but they have two things in common: a genuine desire to welcome people into their homes and lives, and a clean and comfortable home.

Students should not expect a replica of their own home. Homestays offer a taste of Britain and students may have to adapt to different homestay environments while they are in the UK. Students should also remember that the UK has a rich history and is proud of its cultural diversity. Our homestay providers are a reflection of our society and come from different backgrounds, age groups and socio-economic groups. We do not discriminate but welcome all homestays that fit our basic criteria. London is a multi-ethnic society and some homestay providers are not of English origin but all speak English to a very high standard. We try to match students with host families and to find the right homestay for everyone.

Key Points

- Most homestay accommodation is in single rooms, but we can provide twin rooms for 2 people booking and travelling together
- There will be no more than 4 students in the family
- Many of our host families are non-smokers
- Many British people have pets – usually a cat or a dog
- If you are in Bed and Breakfast or Independent homestay you may not have as many opportunities to practise your English as you may not be sitting down for a meal with your host(s)
- It is important to book early and to tell us about your requirements, e.g. diet, smoking, children and pets
- You may arrive and leave the homestay accommodation on a Saturday or Sunday

Additional Charges

- There is a £50 supplement per week for halal, coeliac /gluten free / lactose free and vegan diets
- If available, an extra Saturday night can be booked on your departure weekend for an additional charge
- There is a £80 per week supplement if you wish to stay in homestay over the 2-week Christmas and New Year holiday period. If you are in a student residence over Christmas and New Year, charges remain the same

Both Cottenham Park student houses have 6 bedrooms in each: all rooms are single occupancy rooms. Both student houses have 2 rooms with ensuite bathroom, 2 rooms with a private bathroom and 2 rooms with a shared bathroom. Both houses are self-catering and have a shared kitchen/dining area and laundry facilities. They have seating areas and a garden, allowing students to relax together, both inside and outside.
